YEARPLAN UPDATE

Maroons Year Long Contract:
Eager to continue our success from WW, we have enacted a contract for our reps which reminds them of their weekly commitments with the role! ☺ The response has been well received and individuals are excited and looking forward to the year.

Athletics and Recreation Filming:
The Ath and Rec Dept. has reached out to us to film a series of short promotional videos to be displayed during the upcoming Volleyball and Basketball Games! WE are excited to bring the spirit.

Annual Community Pumpkin Hike at Cootes:
This just happened last week, we had great turnout and the event was a huge success! We had the chance to carve pumpkins for the elementary students and line the trail with the pumpkins afterwards for the Hike

Football Games, Volleyball Games and Basketball Games:
Increased Maroons presence at Football games thus far! Our amazing Promotions Coordinator was recently hired by the Ath and Rec Department to livestream the game footage on the big screen!

Intramurals:
We are currently engaged in Soccer, Ultimate Frisbee and Volleyball. Great turnout from McMaster students and have successfully engaged with our service!

SERVICE USAGE

Our service has been receiving more likes on our Facebook page. We are in the process of planning a promotion campaign for WW Events and Maroons. PR during WW was fantastic – we gained 250 new followers on Instagram and have reached out to different services for Partnerships during the year.

UPCOMING EVENTS, PROJECTS & ACTIVITIES

Meetings with other services regarding events – FYC event, Elections Campaigning support, and planning for a Raptors Basketball Livestream!!

CURRENT CHALLENGES

Ensuring that WW planning is completed on time and meeting with all the required stakeholders regarding Maroons Involvement.

SUCCESSES

This service is only as good as its representatives. The Leadership Team has been incredible so far, planning for Welcome Week and also giving myself support and the rest of the team whenever needed. I am very happy with how we as an LT are functioning to tackle all challenges that come our way ☺
