Dear Members of the Assembly,

Here is an update from the Executive Board meeting 15-24.

SERVICE REPORTS
The Executive Board heard reports from various services. Updates were given on the current successes, challenges, events, volunteers, and budgets. These services include:
- Horizons
- Maccess
- MAC Bread Bin
- TAC

For a complete list of what they have been up to, check out the EB portal on the MSU website.

Job Descriptions
Job descriptions were approved for MAC Bread Bin. The job description for the MAC Bread Bin Liberty Kitchen Partner will help the service form a more legitimized and supportive volunteer base. This role will clearly define a space for more volunteer engagement and volunteers can feel more empowered.

This report is a review of the discussions that were had at the last three Executive Board meetings. For a more extensive outline on further questions and discussion from the above highlights, please review the appropriate minutes. If there are any questions, please do not hesitate to ask.

Best,

Lindsay D’Souza
