Dear Members of the Assembly,

As a Caucus, we are extremely excited to continue working with SRA 17, and look forward to a productive academic term. Fiona, Jason and myself are eagerly awaiting the chance to collaborate on the wonderful ideas put forth this coming Sunday.

PROGRESS ON YEAR PLAN

We have just completed the consultation and writing process for our year plan, producing what we believe to be an achievable set of objectives which represent the wishes of our constituents.

We are in the early stages of preparing a proposal to MSU Campus Events and the Programming Advisory Committee regarding the integration of a visual art gallery to the yearly ‘Light Up the Night’ event program. Additionally, we are currently working to ensure that the Caucus is prepared to launch bi-weekly video updates after each SRA meeting, beginning in the new academic term.

PAST EVENTS, PROJECTS & ACTIVITIES

Though this marks our first report as a Caucus, we are pleased to acknowledge the decision of University Senate regarding program specifications on graduating student’s degrees. This was achieved by a wonderful team of passionate individuals, including which were members of the SRA Humanities 16/17 Caucus.

All the best,

Landon Fama
