BOARD OF DIRECTORS

TO: All those impacted by Presidential Rules, RE: section 4.8.1
FROM: Board of Directors
SUBJECT: Leave of Absence
DATE: December 20, 2017

Hello,

The Election Committee Released the official presidential rules on December 1. Consistent with last year, one of the notable rules that may impact you is the inclusion of section 4.8.1 and 4.8.2 which read as follows:

4.8.1. Full-time employees, part time managers, and paid staff, excluding Customer Service Representatives, must receive a leave of absence through the appropriate Board (i.e. Board of Directors for full-time employees, or Executive Board for part-time staff, including Associate Vice Presidents) before the start of the campaign period;

4.8.2. Caucus Leaders must receive a leave of absence from the SRA for the campaign period;

Elections committee has put these rules in to place to help create a transparent, fair, and unbiased election. They have instituted this rule as many paid staff have access to resources that an average MSU member would not. They are asking that should you choose to take a Leave of Absence (LOA), that you give up access to your emails, your key cards, room booking privileges, etc.

With the forthcoming elections, it is important that all of those impacted by the rules prepare well in advance for an LOA, should they choose to take one. In order to take an LOA you will have to submit a report to your respective supervisor as detailed on the next page (Ex: Full time staff member, executive board, SRA, etc). Details about potential compensation for the person you appoint in your absence are as follows:

- 1. Part-Time Managers:** You will have to appoint an interim PTM in your absence and they will be compensated for the work that they do for the service. For some services, it is written within your operating policy on who should take over should you decide to take a leave or no longer be able to complete your job.
- 2. Associate Vice Presidents:** Please appoint a chair, so meetings can continue in your absence. Any committee work that needs to be done within those two weeks can be

deferred to the Board of Directors. e.g. filling out a PO to get money for an event. There will be no compensation provided to the individual chairing the meetings. If necessary, an interim AVP in your absence will be appointed by the Board of Directors and they will be compensated for the work that they do.

3. **Full-Time Employees (SOPS):** You will have to work with your supervisor to determine the best course of action on who will be completing your duties while you are on leave. Some options include: the department supervisor taking on more responsibility, appointing an interim person to complete your role, etc.
4. **Special note for Caucus Leaders:** Although you are not a paid staff of the organization, you do have special privileges an ordinary MSU member does not. So, if you are participating in any Presidential team, all access card privileges will be revoked for the duration of that time. In addition, you will be locked out of your SRA caucus email for the duration of that time as well.

Thank you for your co-operation,

Board of Directors

In order to take an LOA please submit this to your supervisor as soon as possible. Deadlines for submission of documentation are as follows:

Name: Sunny Yun

Job Title: SRA Arts and Science Caucus Leader

Supervisor: SRA

Who will take over your responsibilities when you are on your LOA and what is their contact information?

I have an SRA observer, whose name is Adrienne Ralph, that will be able to keep up with social media communications. Furthermore, I am still part of my faculty society SASSEx so can coordinate and continue my responsibilities such as hosting a program social from there.

What are the major events/projects that you have planned for that are happening during your LOA?

Please make note of who will be responsible for these events and projects, the details of the events and projects, and any other relevant information

Faculty social - myself to continue

Social media coordination - Adrienne Ralph

Communicating with SSC regarding OscarPlus and implementing targeted job searches for interdisciplinary students - myself, I think it is still reasonable for me to continue doing this as it is not directly presidential related

Please highlight any areas of your service or programming which will no longer be able to function in your absence and the impact that may have on users/patrons/customers, etc. In addition, outline why you believe taking a leave of absence at this time wouldn't be a detriment to service/committee operations.

Simply would not be at the SRA meetings

Note: This report should be as detailed as possible (minimum, 2 pages) as the information you present in this document will be used to evaluate the request for a leave.
