

REPORT

From the office of the...

MSU MACycle Director

TO: Members of the Executive Board
FROM: David Zaslavsky
SUBJECT: MACycle Report 1
DATE: March 26, 2018

UPDATE

Since last reported, MACycle is now in full swing for the 2019 year. We've been pretty bumping for most of the time that we're open. We've been having difficulty finding people to apply for our executive roles.

SERVICE USAGE

Our system for measuring system usage is doin' good. We've had 5-8 people in per day, even with our pretty small hours-per-week open.

PAST EVENTS, PROJECTS & ACTIVITIES

This early in the semester, we haven't really got any events under our belt. See later for more info.

Overall, there has been very positive feedback to the changes that we made last year. Having a two-lane either "pay as you use, \$5 per time", or flat \$10 for membership has had a positive reception, people like that option (even though most people that come in and choose to pay \$5 end up coming back later)! Still good, still good, nice that people give positive feedback.

UPCOMING EVENTS, PROJECTS & ACTIVITIES

For the summer, I would like to continue to see conversations about our relocation continue. This is out of my hands and I lay awake at night, fingers crossed, praying to some intergalactic deity that t\it go well and I can have a window to see some light

Having all our stuff ready to rock and roll with our updated logo I've been sitting on for months and months, prepped to go soon as we move though

BUDGET

As of the time of writing there has been no money spent, yet. Spent some cash preemptively stocking up last year so that's nice, don't need nothing yet.

VOLUNTEERS

Lots of our volunteers have expressed interest in coming back! It's nice to see continued engagement like this. However, of course some won't be here for the summer, but it's still nice to hear that they enjoyed their experiences. They were all hella into getting free swag so that's nice – maybe I'll get them more free stuff again, nice.

CURRENT CHALLENGES

We are having a hard time finding people to apply for our exec positions. We will be reopening the Promotions Coordinator position after exams, since we did not end up conducting any interviews. ☹ Very sad, unfortunate, but hopefully can be fun.

SUCSESSES

Good stuff so far!!! So fun being back in the shop and stuff, all the old regulars have been coming back and it's been noice :^)
