SUBJECT: 2019-20 Clubs Ratification
DATE: June 18, 2019

Dear Assembly,

The MSU Clubs Department is happy to suggest thirty-nine (39) new clubs and two hundred & eighty eight (288) returning clubs for ratification and official MSU recognition at this time. These **three hundred & twenty-seven (327)** student groups have all successfully completed the application process and have demonstrated a unique passion for serving our community.

I strongly believe that these three hundred & twenty-six (327) clubs will enhance student life at McMaster and within the Hamilton community in the 2019-20 academic year.

Below, you will find the three hundred & twenty-six (327) student groups which I am recommending to the SRA for MSU club status. In reviewing this list, please note:

- (1) official recognition of all clubs is conditional, pending satisfactory completion of clubs training;
- (2) a cover letter compilation document is attached for detailed information on new clubs AND a brief description for each returning club is noted in the list to inform you of their mission/goals;
- (3) all clubs marked with a single asterisk (*) indicate that said club is in the process of making any necessary changes recommended by the Clubs Administrator and/or submitting any missing documentation, and will be ratified pending completion of this documentation
- (4) two returning clubs (CSSA & Lifeline) are marked with a double asterisk (**) which indicates certain issues that came up during the year and supplemental details for those issues are attached with this document.

McMaster University maintains one of the largest and most diverse club departments in the country. Our continual commitment to this department empowers student voices, fosters student success, produces entry points for leadership on campus, creates space

for student communities, and leads to an overall enhancement of student life at university. I strongly urge you to ratify these new and returning clubs; I greatly look forward to working with each one of them in the upcoming year.

Should you have any questions, concerns, or require any clarification, please do not hesitate to contact me.

Best,

Aditi Sharma
