PROGRESS ON YEAR PLAN

So far, we have been working mainly on improving artist engagement with MSU events, specifically with Light Up the Night. We have been in touch with our lovely VPs Alex and Sarah to discuss the feasibility of increasing artist involvement and, for when it is finalized, how to get in touch with various clubs and services for more involvement. We are currently waiting for campus events to get in touch with us to set up a meeting to implement and finalize the idea. We have been in touch with the MHS and are working out a time to meet with them to plan events together. Transparency week was also this past week, and we were able to promote ourselves a bit more so that students became more aware of our presence on campus.

UPCOMING EVENTS, PROJECTS & ACTIVITIES

As mentioned above, a major project we are currently working on is increasing artist involvement in Light Up the Night. We plan to reach out to the Theatre/Film department, Fine Arts department, Music department, and various other departments, clubs and services, to ensure we have a lot of engagement and are completely inclusive.

CURRENT CHALLENGES

We had a bit of a challenge with our by-election, as we got no applications in and had to extend the deadline. We now have a lovely addition to our caucus, Daniel Zhang, and are looking forward to working with him in the upcoming months. Due to this delay in applications, we have learned that our promotion strategies haven't been working too well, and our social media is losing followers. We will be working on improving those for future events.

SUCSESSES

SRA transparency week went very well. We worked with the other caucuses to put on a fantastic week, huge shoutout goes to Chirsty Au-Yeung for organizing so much of this event. We were unable to come to tabling, however, one of us went to the Meet and Eat event and caught up with a few constituents!

OTHER

Our hope is to promote the GA meeting to our faculty at the end of the year throughout both semesters. Please let us know if you have any feedback or questions :)

Best,
