## Clubs Administrator

---

TO: Members of the Student Representative Assembly  
FROM: Jenna Courage, Clubs Administrator  
SUBJECT: 2020-21 Clubs Ratification  
DATE: July 12th, 2020

---

Dear Assembly,

The MSU Clubs Department is happy to suggest *twenty two (22)* new clubs and *three hundred & one (301)* returning clubs for ratification and official MSU recognition at this time. These ***three hundred & twenty-three (323)*** student groups have all successfully completed the application process and have demonstrated a unique passion for serving our community.

I strongly believe that these *three hundred & twenty-three (323)* clubs will enhance student life at McMaster and within the Hamilton community in the 2020-21 academic year.

Below, you will find the *three hundred & twenty-three (323)* student groups which I am recommending to the SRA for MSU club status. In reviewing this list, please note:

- (1) official recognition of all clubs is conditional, pending satisfactory completion of clubs training;
- (2) a brief description for each new and returning club is noted on each list to inform you of their mission/goals;
- (3) all clubs marked with a single asterisk (\*) indicate that said club is in the process of making any necessary changes recommended by the Clubs Administrator and/or submitting any missing documentation, and will be ratified pending completion of this documentation

McMaster University maintains one of the largest and most diverse club departments in the country. Our continual commitment to this department empowers student voices, fosters student success, produces entry points for leadership on campus, creates space

for student communities, and leads to an overall enhancement of student life at university. I strongly urge you to ratify these new and returning clubs; I greatly look forward to working with each one of them in the upcoming year.

Should you have any questions, concerns, or require any clarification, please do not hesitate to contact me.

Best,

Jenna Courage  
Clubs Administrator
