UPDATE

Hello! Thank you for taking the time to review my report today. My report outlines what we have been up to so far for both Shinerama and Terry Fox. It highlights upcoming, tentative and past events since the last report. I have updates about the budget so far, the successes and downfalls of volunteers, challenges we have faced and of course our many successes. We are still on the right track to success and are looking forward to what is next to come.

SERVICE USAGE

We have been very busy planning and organizing upcoming events for Shinerama and Terry Fox for before, during and after Welcome Week. We have run various new events for Shinerama and are in the planning stages for Terry Fox.

PAST EVENTS, PROJECTS & ACTIVITIES

Busker Fest

- Had volunteer buskers out at various locations around the Hamilton area busking for donations
- Unfortunately it was raining so we only have half the volunteers come out and could only make it out to half of the locations
- All proceeds going to Shinerama

Yard Sale

- Had representatives from the different faculties come with their goods to sell. We set up tables for them to set-up their things to sell
- Put out signs in the community and put up an ad on the Garage Sale website to let them know that the Yard Sale was going on
- All proceeds going to Shinerama (the faculties individual campaigns)

BUDGET

Shinerama

We have spent a little more money from the Shinerama budget. We have made purchases for Charity Golf, Bottle Drive, Busker Fest, Garage Sale and Clubs Fest mainly. We are finishing up the t-shirt designs now and the plans for buses which will take a large chunk of our budget.

Terry Fox

The budget for TF has still not been touched as of yet.

VOLUNTEERS

I have been struggling a little bit with trying to coordinate all of my executive members schedules to have meetings because everyone's schedule is so different. We have had to alternate some people being present at the meetings and others reading the minutes and sending updates.

The Maroons have been helpful so far for a few events. It is hard to have so many people involved in the middle of the summer months. All of my executive members have tried their best to be present at all events.

CURRENT CHALLENGES

I had to terminate one of our executive members due to poor attendance in the past and in the future. This was a tough decision for me to make but in the end, I know it was the best decision and I can already see the positive impact it has had on both the service and the team.

SUCSESSES

We have been able to successfully execute several new activities and events this year for Shinerama. I have also been able to be in contact with most of the faculty Shinerama planners to have an idea of how much money our campaign has raised all together.

We have very exciting plans for Terry Fox and are continuously working to bring them to life.
