Dear members of the assembly,

I hope all of you have enjoyed your summer breaks and are ready to get going on your projects for the year. The Bylaws and Procedures Committee is only in the beginning stages of a number of projects, and we're excited for what's to come this year!

### **VP Elections**

The VP Elections Ad Hoc Committee has recently compiled its second report on its findings related to optimizing the system in which Vice Presidents are elected. I have been actively involved in the research of this committee, and am looking forward to discussing the findings of the committee come October.

### **House Leader Position and SRA Accountability**

I recently met with the Operations Commissioner to discuss SRA accountability. We discussed the ways in which bylaws and policies can support making the SRA more accountable to MSU members. We are in the process of identifying current concerns with accountability, and are looking forward to moving forward with this project.

### **Elections Bylaw**

I have been in close contact with the CRO and DRO of the Elections department to address compensation during MSU elections. Our committee will be discussing these revisions at our upcoming meeting, and they will hopefully take effect in time for the upcoming SRA by-elections.

Additionally, I have been working with the MSU Speaker and VP Administration to address SRA training, which will be addressed shortly in our committee. Our committee is excited to get started on addressing improvements to General Assembly, the potential of expanding the SRA and re-defining MSU membership early this term, and we encourage you all to get involved with the Bylaws and Procedures committee throughout the year.

Best,

Carter McInnis
