TO: Members of the Student Representative Assembly
FROM: SRA Operations Commissioner
SUBJECT: SRA 15J Report
DATE: November 10, 2015

Dear Assembly,

After greatly struggling with meeting times for a while, we have finally settled on one that works for everyone. It works for everyone in the sense that it's the worst for everyone instead of making one of us unhappy but that's the beauty of compromise. If you would like to join us, we meet Thursdays at 10:00 PM.

We have a few exciting things in the pipeline that will be ready for the next SRA meeting. OPERATING POLICY 1 – SERVICES will be updated and OPERATING POLICY 1.9.9 – CLUBS will be tweaked a little to better reflect what clubs want to see for space allocation. At the moment we have quite a few things that are half baked and just need some more time in the operations oven before we bring them to the SRA table. This includes recategorizing and renumbering every operating policy into an arrangement that makes sense, drafting an operating policy on how to create services, and burning the old inclusion council policy to the ground so we can investigate how to write one that works. I am also aiming to release a report on the success of Outreach Hours and Maroon Minutes creation for the next meeting so any and all feedback is encouraged. I want to hear from you!

Overall, we went through a rocky period but are back on track to keep making your union better. We will be very busy until the end of semester so if you feel like getting in on the action, or just like being on campus at night for some reason, feel free to drop in or skype in to one of our meetings. As always, do not hesitate to ask me any questions you may have. Just wake me up from the Clubspace couch if you need me.

Sincerely,

Miranda Clayton
