## Vice President (Education)

---

TO: Student Representative Assembly

FROM: Spencer Nestico-Semianiw, Vice-President (Education)

SUBJECT: Executive Board Update

DATE: November 29th, 2015

---

Hi everyone,

Executive Board remains the shining light in all the great work I do with the MSU, and nothing pleases me more than to write this report about what we've been up to! Here are the updates:

Service Reports:

These are the services that have reported to EB during the last two meetings. Their reports include successes, challenges, events, volunteers, and budget updates. The list includes:

EFRT  
Mac Bread Bin  
MACgreen  
WGEN  
Elections  
Maroons  
QSCC  
SCSN  
Spark

You can find all these reports under the Executive Board tab on the MSU website.

In addition, there has been other notable progress that has occurred. To begin, we had our first Committee of the Whole - Advocacy Updates, which was very successful! I had the opportunity to ask EB members about their perspectives on a diverse set of student issues, including career & co-op structuring, indigenous student groups on campus, and the focus for our TA training advocacy in the near future. I am excited for the next advocacy committee of the whole to bring up some more helpful and informative discussions.

We've also taken some time to discuss several hiring and staff aspects of the organization, but these were done in closed sessions so I'll leave you with that. Otherwise, we opened and closed one EB seat on the Sponsorship & Donations Committee so congratulations Shaarujah Nadarajah! We have also transitioned the role of Silhouette Distribution Coordinator from management within the Silhouette to management within Underground, to better serve the needs and support of the position. Lastly, we approved a new Elections Logo, and will be looking to increase funding to the Peer Support Line to ensure better training support for their peer listeners. If you have any other questions, please let me know.

Best,

Vice-President (Education)  
Spencer Nestico-Semianiw
